|---------------------------|----------------------------------------------------|--------------------------------------------------------------|
| <b>Monthly price</b>      | <b>CHF 42.70</b>                                   | <b>CHF 25.00</b>                                             |
| <b>Coverage</b>           | Over 110 countries<br>Region 1 and Zone A          | Europe, USA, Canada, Turkey<br>Region 1                      |
| <b>Calls &amp; SMS</b>    | Unlimited in included countries                    |                                                              |
| <b>Data Switzerland</b>   | Unlimited                                          |                                                              |
| <b>Data abroad</b>        | 40 GB high-speed, then unlimited at reduced speed* |                                                              |
| <b>5G</b>                 | Up to 2 Gbit/s (download) and 300 Mbit/s (upload)  |                                                              |
| <b>Data SIM</b>           | Included                                           |                                                              |
| <b>SIM swap</b>           | Free                                               |                                                              |
| <b>Activation fee</b>     | None                                               |                                                              |
| <b>Plan change L / XL</b> | Free at any time                                   |                                                              |
| <b>Minimum term</b>       | 24 months                                          |                                                              |

\* Once the 40 GB high-speed allowance is used, the connection stays usable in included countries at reduced speed (256 kbit/s download, 128 kbit/s upload).

## Detailed services and country lists

The complete country lists per zone, the international rates and the roaming rates for countries outside the included zones are provided by our network partner Sunrise:

- Country lists and roaming rates: [sunrise.ch/b2b/roamingrates](https://sunrise.ch/b2b/roamingrates)
- International rates: [sunrise.ch/b2b/international](https://sunrise.ch/b2b/international)
- General business customer terms: [sunrise.ch/business/de/rechtliches](https://sunrise.ch/business/de/rechtliches)

## Support

- FollowMe: [mobile@followme.aero](mailto:mobile@followme.aero)
- Sunrise Business Hotline (daily 24h): +41 58 777 01 01

### Good to know

- Your number runs under the FollowMe framework contract. You use it as usual.
- The minimum term is 24 months. After that, your plan renews for another 24 months unless cancelled at least 3 months before expiry. So you don't miss the deadline, we'll remind you in good time of the upcoming renewal.

The general terms and conditions of FollowMe GmbH apply. In case of any discrepancy between this overview and the general terms, the general terms prevail. Technical services follow the current specifications of our network partner Sunrise.
